Good to go on this, with all necessary coordination to come. Same for PL2 catch basin solids sampling. Be safe, happy long weekend.

Jennifer,

Jorgensen is okay with plugging the 15 inch line. Please provide me and Ron a schedule when this is going to occur and when you will need access.

Thanks-
Amy

Hi Jennifer,

Checking with Jorgensen folks. I hope to have an answer for you tomorrow (Tuesday). I do not anticipate it being a problem.

Good Morning Amy,
Have you received a response from Anchor to our phone conversation on
Tuesday, 6/21/2004 about the stance of Jorgensen Forge on access and
installation of a plug in the downgradient manhole for the 15 inch storm

Thank you.
